RE: **Certificate of Authority # MB-23-072**

In response to your letter received **October 23, 2026**, Inspection and Technical Services (ITS) recognizes that ***Contro Valve Inc,*** has begun the renewal process and submitted the QA Manual October 16, 2026 and understands that changes and updates may be required.

ITS will grant an extension to Certificate of Authority # **MB-23-072** as issued to ControValve Inc**,** expiring **January 27, 2027.**

This extension is issued to ensure a thorough review of the QA Manual and audit by the Quality Inspector.

.
